The market was, as usual, very inactive yesterday and the receipts were extremely light. Hogs sold at 5c higher than the preceding day, but the top was

somewhat higher also. The receipts at Joe, Kansas City and Chicago were light and the indications not promising 19

for a better market soon. There were but very few cattle shipped pure California Ex., 1b., 714c. in yesterday but the market held steady. Calves brought \$5.00 and stockers sold at

OUR SUCCESS GIVES YOU CONFIDENCE away or the brain is burning up, or whether it is caused by overwork, fever, dissipation, folly or heredity. The important question is: "Who can restore you to health and vigor?" Our success in restoring nerve wreck is so well known and vouched for by the best people of Wichita and vicinity that even the most hopeless and skeptical should place their cases in our care, or at least call on us and receive our advice, which is free to all. Varicocele is the great enemy of men; it is the destroyer of their vitality, strength and their nervous system. About 40 per cent of all men suffer from it. Probably only 16 per cent know what it is. Indeed, so universal is the ignorance on the subject that men live a lifetime, suffering from the effects of varicocele and never know what has caused the suffering. Varicocele is a dilation of veins. The reason varicoccle so often puzzles the patient is because the symptoms may be remote and hidden. In ordinary cases there are radiating pains down the back and thighs, neuralgia, easily tired when standing,

pain in the back, nervous debility. There are many cases in which there are no symptoms. We cure Varicocele in five days by a painless method. Thousands of references can be given.
